## PRESS RELEASE

Monday April 12, 2021

Harvard, Illinois

The Harvard Milk Days Board is pleased to announce the plans for Harvard Milk Days 2021. It is unknown what phase of the Restore Illinois plan our Region 9 will have achieved. Consequently, the Board has decided to host some Milk Days events as they would normally be scheduled and postpone other events until later in October.

**Harvard Milk Days Parade:** The Board concludes that it will not be possible to host the Harvard Milk Days Parade until we have reached Phase 5. The Parade has been postponed to October in hopes that by then, Region 9 will be in Phase 5.

**Prince and Princess Contest:** This event has been postponed to October; date, time, and location are to be determined. Age eligibility requirements will be modified to allow contestants who have aged out to participate since last year's event was cancelled and this year's event will be postponed.

**Carnival:** Wristbands will only be sold on site at Milky Way Park the day of the event (Friday Jun 4<sup>th</sup>/Sunday Jun 6<sup>th</sup>.) Cost and Wristband Hours TBD. Ride tickets will be sold on the grounds all weekend. Amusements are permitted at reduced capacities under Restore Illinois Phase 4 and Bridge Phase.

**All events in May and June are subject to cancellation due to changes in IL Dept of Health's Restore Illinois guidelines.** The Board established a deadline of May 27<sup>th</sup>, 2021 for cancellation of hosting the Harvard Milk Days June Carnival event at Milky Way Park.
